

St. Mary's Flower Festival Long Sutton Lincs

Presents

A COLLECTION OF?

Welcome to our 55th Flower Festival and thank you to all those who have been regularly visiting and supporting us over the years. Welcome also to those who are here for the first time, we hope that you will all enjoy the beauty of the flowers and the church.

Just a word about this years charity. In 2020 St Marys church will celebrate 850 years since it foundation. We are working towards providing better facilities for everyone which include a separate meeting room in church at the West End with kitchenette and toilet, as well as a new heating system. The cost of all this will be in the region of £100,000. So this years charity supported by **A collection of?** will be going towards these works providing increased use of the church building by the congregation and local community.

We very much look forward to the wonderful flower displays which the hard working talented team of flower arrangers led by Sheila Amos will be making. They have chosen the theme which we will look forward to seeing their inspiration and skill. Each one of us this Easter will respond to our Risen Lord Jesus Christ as he calls each one of us by name as he called his disciples.

Fr. Jonathan Sibley
Vicar of St. Mary's Long Sutton with Lutton
and Gedney Dawsmere

The Festival involves many local people from all walks of life, all of whom have their own particular talent to offer and strive to make this event such a success. Top of the list come the many teams who, year after year, produce their displays to enhance the chosen theme, all wish to remain anonymous but may be seen during the Festival making sure the displays are watered and flowers replaced where necessary. Then there are those who staff the souvenir stall or act as stewards in the Church.

Supporting them are many people who cheerfully prepare and serve the refreshments and others who collect and sell the horticultural produce all combining to make your visit enjoyable.

The profits from the sale of horticultural produce, souvenirs, handicrafts, gifts and donations will be used for the upkeep of the church and the maintenance of the church hall.

We also give 10% to this year's chosen charity:-

St Marys new meeting room, kitchenette and toilet facilities

Thank you for your generosity and prayers.
